SHARPS DISPOSAL

5 and 20 litre containers (pre-paid)

The minimum amount of sharp containers is four 5 litre containers or one pail, unless combined with other services.

You are supplied with approved containers which can be stored under a sink or wherever it is best suited to your facility. When your last container is almost full, call 1-800-287-5416 and one of our Service Technicians will pick-up each full container and leave an empty one in its place.

Please allow 2 to 4 days for scheduling.

▶ Each pick up and delivery is subject to a \$75.00 transportation fee. Save on transportation costs and have sharps, lead foil, photo chemical and filters all picked up or dropped off in one visit.

2009 pricing is subject to change without notice
