

# HURRICONE

Cordless Floor Dryer

## Decrease Your Liability & Increase Your Safety and Productivity

The HURRICONE is not your ordinary safety cone, it is a new innovative safety device. The HURRICONE not only warns pedestrians of a potential slip hazard, it actually assists in drying your wet floor with a continuous flow of air traveling outward 360 degrees and up to 15 feet in diameter covering 177 square feet.

Decrease your floors drying time by up to 90% - **THE HURRICONE WILL DRY UP POTENTIAL LAWSUITS**

The HURRICONE dries floors 360 degrees around unit and up to 15 feet in diameter (177 sq. ft.)  
 Cordless / Rechargeable - The HURRICONE runs up to 12 hours on a replaceable battery pack

The HURRICONE's high efficiency fan draws air in thru the intake grills and forces the air into the specially designed patent pending 360 degree Air Director on the bottom of the unit.

This Air Director actually squeezes the air to create a boundary layer or barrier of continuous airflow that travels across the flooring surface 360 degrees around the unit covering 177 square feet.
